Brindle

90-Minute Forecast, DCF & Acquisition Accounting Exam

From the assignment

The attached workbook contains two exercises. Complete it and return it within 90 minutes of receipt. Leave enough time to save and return the final file before the cutoff.

Submission window

90-minute scheduled exam.

What you submit

One completed .xls exam with ten annual forecasts, linked statements and supporting schedules, a DCF sensitivity and a separate combined balance sheet.

Calder Stage Services

90-Minute Sell-Side Recast & Two-Slide Summary

From the assignment

You are supporting an investment banking team preparing client materials for Calder Stage Services, an independent provider of technical crews to live music venues and festivals. The deal team needs a two-slide executive summary using the presentation template. Its cover is separate.

Submission window

Return both files in 90 minutes.

What you submit

Completed editable PowerPoint with two substantive slides after the cover. Separate working Excel file prepared for client delivery.
