PORT ALDER FIELD SUPPLIES

One-hour live mini-LBO

Join your interview partner on Zoom and share your screen before opening the workbook. Start the one-hour clock at receipt. If practicing alone, use the same cutoff.

The instructions and assumptions are on the first Excel tab. Build the model in the supplied workbook and answer the three open-response questions.

Return the workbook as it stands after one hour, including an incomplete attempt. Note any unclear assumptions in your workbook.
